**NOTICE**

At its September 2011 session, the Judicial Conference amended the maximum realtime transcript rate policy to eliminate the requirement that a litigant who orders services must purchase a certified transcript (original or copy) of the same pages. Certified Realtime Reporters (CCR) may continue to charge a per page fee for a realtime unedited transcript transmitted via a realtime feed in the courtroom (see Maximum Transcript Rates - <http://www.insd.uscourts.gov/Publications/Transcripts%20-%20Maximum%20Transcript%20Fee%20Rates%202011.pdf>.)

This new procedure for ordering realtime services will become **effective January 1, 2012.**
