

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF INDIANA**

**ORDER**

At its March 2011 session, the Judicial Conference of the United States amended the maximum fees for realtime services. The amended fees are based on the number of realtime connections (feeds) provided by a certified realtime court reporter as follows:

- One feed, the ordering party pays \$3.05 per page;
- Two to four feeds, each party receiving a feed pays \$2.10 per page; or
- Five or more feeds, each party receiving a feed pays \$1.50 per page.

Under the new maximum fees for realtime services, all parties to the case who receive a realtime feed pay the same amount for the services that are received. If a court reporter provides two or more feeds to the same party to the case, the reporter may charge for each feed provided based on the total number of feeds ordered.

Realtime services ordered prior to the date of this Order will be billed at the rates in effect at the time the realtime order was placed with the official court reporter.

This court voted to approve the amended maximum fees for realtime services; therefore,

**IT IS HEREBY ORDERED** that pursuant to Title 28, United States Code, Section 753, the following transcript rates per page are prescribed by the court and are effective, April 21, 2011.
