

This document should be needed only once to set up your Single Login Profile (SLP) or if you have been unlinked to your default court and need to relink your account. Once you have completed the steps below, you will be able to log in to your eVoucher account using your email and password, and link to your other court accounts. Please review the **SLP Signin Password Locked** document to learn how to log in to eVoucher after your Single Login Profile (SLP) creation.

## Accessing the CJA eVoucher Program

Prior to version 6.4, if you had eVoucher accounts in multiple courts, you were required to log out and log in to each individual court account you wanted to work in. You had a separate user name and password assigned by each individual court. Starting with version 6.4, you may now create a Single Login Profile (SLP) with a single email address and password that can be linked to each eVoucher account you have. You can now switch from one eVoucher account to another from within the eVoucher application without the need to log out. Note: Users with more than one eVoucher account must designate one account as the default account; the court used to create your Single Login Profile (SLP) automatically becomes your default court, unless you change it.
