By submitting this registration form, the undersigned agrees to abide by all Court rules, orders, and policies and procedures governing the use of the electronic filing system, including electronic civil case opening. The undersigned also consents to receiving service of filings via the Court's electronic filing system.

1. This system is for cases in the *U.S. District Court for the Southern District of Indiana*. Admitted attorneys must use the system to file documents electronically for all pending civil and criminal cases in the Southern District of Indiana.
2. Every motion and other paper being filed (except exhibits, lists, statements or amendments thereto) must be signed by at least one attorney of record or, if the party is not represented by an attorney, all papers must be signed by the party. An attorney's ECF login and password serves in part as the filing attorney's signature, per Fed. R. Civ. P. 5(d)(3)(c) and Fed. R. Cr. P. 49(b)(2)(A). Therefore, an attorney must protect and secure the password issued by the court. If there is any reason to suspect the password has been compromised in any way, it is the duty and responsibility of the attorney to immediately notify the court. The court will immediately delete that password from the electronic filing system and issue a new password.
3. An attorney's registration does not waive conventional service of paper filings, submit the attorney's client(s) to the jurisdiction of the Court, or operate as a consent to accept service of documents and orders in actions in which the attorney has not entered an appearance. An attorney's registration constitutes a waiver in law only of conventional service of electronically filed documents and orders. The attorney agrees to accept, on behalf of the client, service of notice of the electronic filing by hand, facsimile or authorized e-mail.
4. Attorneys must be active members of the bar of this Court or admitted *pro hac vice* to file documents electronically.
