Electronic Civil Case Opening Procedures

(Updated 12/15/2019)

Electronic civil case opening is a two part process: **1) enter the case data**, and **2) file the initiating documents**. This guide describes the procedures for opening a new civil or miscellaneous case in CM/ECF in the Southern District of Indiana. For assistance during electronic civil case opening or other filing matters, please contact the Clerk's Office at (317) 229-3700.

PART I - ENTER the CASE DATA

STEP 1 After logging in to CM/ECF with the filing attorney's ECF (e-filing) account, select Civil from the blue menu bar at the top of the ECF screen.

STEP 2 Select Open a Civil Case on the *Civil Events* screen.

STEP 3 Select Office and Case Type

On the screen that follows, select the office and case type, which provide CM/ECF with the information it needs to assign a case number. A case number will be generated by CM/ECF after PART I of these instructions have been completed.

Below is a description of the fields on this screen.

Office

Select the divisional office in which the case is being filed. The Southern District of Indiana is divided into four divisions. The chart below provides a list of counties located in each division.

IMPORTANT: Please select the office carefully, as an error will cause the case to be assigned to the incorrect division, which will require transfer and reassignment of the case.

Indianapolis		Terre Haute	Evansville	New Albany
Bartholomew	Madison	Clay	Daviess	Clark

- Motion to Perpetuate Testimony
- Motion to Vacate Arbitration Award
- Motion to Confirm Arbitration Award

Other Court Name and Other Court Number

When filing a Notice of Removal, enter the name of the court in which the case was originally filed, in the *Other court name* field (i.e., Marion County Civil Court Five).

Enter the county case number that was originally assigned to the matter in the *Other court number* field (i.e., 49D05-1110-CT-012345).

STEP 4 Enter Case Data

The Case Data Screen may be completed using the information provided on the [Civil Cover Sheet](#). A completed civil cover sheet must be attached in .pdf format when filing the case initiating document in PART II of the Electronic Civil Case Opening process.

Selections made on the Case Data Screen are very important. If an error message appears on the screen, double-check the accuracy of the information entered, which must be corrected before case opening may continue.

NOTE: For miscellaneous (mc) cases, STEP 4 is not required.

The screenshot shows a form with the following fields: Jurisdiction (3 (Federal Question)), Cause of action (empty), Nature of suit (0 (zero)), Origin (1 (Original Proceeding)), Citizenship plaintiff (empty), Citizenship defendant (empty), Jury demand (n (None)), Class action (n), Demand (\$000) (empty), County (Adams), and Fee status (pd (paid)). There are 'Next' and 'Clear' buttons at the bottom left, and 'Filter' and 'Clear filter' buttons next to the Cause of action and Nature of suit fields.

Jurisdiction

Jurisdiction defaults to *Federal Question*. The drop down list displays additional options for jurisdiction, including *Diversity*, *U.S. Government Plaintiff*, and *U.S. Government Defendant*.

Cause of Action

Available statutes, which are also referred to as Causes of Action, are listed in numerical order. To enter the applicable Cause of Action, click the drop down list and scroll down to find the appropriate selection. Or, use the Filter field by entering a full or partial statute number or text description. CM/EC will narrow the drop down list to only the items that match the statute number or description entered.

This close-up shows the 'Cause of action' dropdown menu and the 'Filter' input field, which is circled in red. A 'Clear filter' button is also visible.

Nature of Suit

Nature of suit codes are listed in numerical order. To enter the Nature of Suit, click the drop down list and scroll down to find the appropriate selection. Or, use the Filter field by entering a full or partial number or text description. CM/ECF will narrow the drop down list to only the items that match the number or description entered.

This close-up shows the 'Nature of suit' dropdown menu (set to '0 (zero)') and the 'Filter' input field, which is circled in red. A 'Clear filter' button is also visible.

Origin

A Complaint originating in Federal Court is classified under origin code 1 (*Original Proceeding*). A Notice of Removal is classified under origin code 2 (*Removal from State Court*). Use the drop down box to select the appropriate origin code for the case.

Citizenship

The citizenship of the parties must be provided only for cases in which Diversity has been selected as the basis for Jurisdiction. When filing a diversity case, select the appropriate citizenship statement for the plaintiff and the defendant.

Jury Demand

Jury demand should be selected only if there is a jury demand contained within the case initiating document(s). The jury demand status may be entered by the plaintiff when filing a Complaint or the defendant when filing a Notice of Removal. *N (none)* should be selected if none of the parties have formally demanded a jury trial.

Class Action

If the Complaint alleges a class action, select “y” in the Class Action field. To request class certification, a separate motion must be filed after the case has been opened.

Demand

If a monetary demand is included in the Complaint, enter the amount to the nearest thousand dollars. For example, if the demand is \$1,500,000 enter 1500, without a dollar sign, comma or decimal.

County

Click the County drop down list to display a list of all counties in the Southern District of Indiana. From the list, select the county which determined divisional jurisdiction for the case.

Fee Status

Unless filing on behalf of a U.S. governmental agency or in forma pauperis, the fee status should be set to “pd” (paid). If a motion to proceed in forma pauperis (without prepayment of fees) is being filed, “pend” (IFP pending) should be selected. Attorneys for the United States or agencies of the United States government should select “none” (no fee required) as the fee status.

STEP 5 Enter Party Names

Perhaps the most critical component of electronic civil case opening is the entry of party names. It is important that this be done correctly because it impacts not only the case being filed, but the general records of the court. The [Party Name Guide](#) is available on the court’s website to provide assistance in adding party names.

NOTE: ALL Party Names must be in all **CAPITAL** letters and use appropriate punctuation.

NOTE: Party Names must be entered **EXACTLY** how they are identified in the Complaint.

The screenshot shows the 'Open a Civil Case' interface. On the left, there are buttons for 'Add New Party' and 'Create Case', along with 'Collapse All' and 'Expand All' links. On the right, there is a search section titled 'Search for a party' with three input fields: 'Last / Business Name', 'First Name', and 'Middle Name'. A 'Search' button is located below these fields.

Searching for a Party

The Party Search screen is divided into two panels. The left panel contains controls to Add New Party and Create Case. The search fields in the right panel allow users to search the CM/ECF database for party names.

To enter a party name, first search existing names in the CM/ECF database by entering at least three letters of the party's last name in the last name field. If the party is a business, enter the first three letters of the business name. Click the Search button to view a list of available party names.

As the system searches for a party name match, CM/ECF will display a list of existing party names. Scroll through the list to review the potential party name matches. If the name of the party appears in the list, click on the party name to highlight it, then click the Select Party button. If the name of the party does not appear in the list, consult the Creating a New Party instructions below.

This screenshot shows the same search interface as above, but with search results displayed. The 'Last / Business Name' field contains 'SMI'. Below the search fields, a 'Search Results' window is open, listing the following names: SMITH, BETTY; SMITH, BETTY; SMITH, BONNIE; SMITH, JESSICA; SMITH, JOE A.; and SMITH, JOHN. At the bottom of this window are two buttons: 'Select Party' and 'Create New Party'.

Creating a New Party

If the system does not find a match after performing a party name search, click the Create New Party button to create a new party record in the CM/ECF database.

IMPORTANT: Please consult the [Party Name Guide](#) before entering a new party into the court's CM/ECF database.

CM/ECF will display the Party Information screen. Party names are entered entirely in capital letters. Although several data entry boxes appear on the Party Information screen, only the following fields should be completed. These fields are described in more detail on the next page.

Example: JOHN A. SMITH, JR.

Last name: **SMITH**

First name: **JOHN**

Middle Initial: **A.**

Generation: **JR.**

NOTE: Titles/job descriptions should be entered in the **Party text** field (*except prisoner petitions).

NOTE: **Do not** enter any additional information (address, phone, email, etc.) unless entering a Pro Se party information in relation to a Notice of Removal.

The screenshot shows a web form titled "Open a Civil Case" with a "Party Information" section. The form includes the following fields and options:

- Last name: [text box]
- First name: [text box]
- Middle name: [text box]
- Generation: [text box]

- Notice: [dropdown menu, currently "yes"]
- Buttons: "Add New Party", "Create Case", "Collapse All", "Expand All", "Add Party"
- Checkbox: "Show this address on the docket sheet"

Party Name

Party names must be entered in CAPITAL LETTERS. For businesses, the entire company name must be entered in the Last name field. For individuals, the Last name, First name, and Middle name fields are used. The Generation field (e.g., Jr. Sr.) and Title field may also be completed, if applicable.

Role

The Role type defaults to plaintiff. Select the correct party role from the drop down list.

Party Text

The Party text field is optional and may be used to add descriptive information about the party as it appears in the caption of the case initiating document.

Example: ANDREW M. SAUL, Commissioner of Social Security Administration
Last name: SAUL
First name: ANDREW
Middle Initial: M.
Party text: Commissioner of Social Security Administration

When all required information is entered, click the Add Party button at the bottom of the screen to add the party to the case.

As each party is added, the party name will appear in the panel on the left side of the screen. The information in the left side panel is referred to as the Case Participant Tree.

After a party has been added to the case, the filer may then add an alias name.

Example: JANET S. SMITH, (aka) JANET S. BROWN

Party

Last name: SMITH
First name: JANET
Middle initial: S.

Alias

Last name: BROWN
First name: JANET
Middle initial: S.

Using the drop-down menu, select: also known as (aka)

NOTE: Do NOT add attorneys for a party at this point of the process. Attorneys will be added, and linked to the appropriate party(ies) when the Notice of Attorney Appearance is filed. Likewise, do NOT add Corporate Parents as this point of the process, as they will be added when the Notice of Corporate Disclosure is filed.

The following chart provides a description of the icons and functions that are available in the left side panel of the Case Participant Tree.

Icon	Description
	Delete this party or alias from the case.
	Add a new alias in the case.
	Edit this party or alias in the case.
+ or -	Expands or collapses the party menu.

The Expand all hyperlink displays all party information in the case, including aliases. The Collapse all hyperlink displays only the names of the parties in the case, with all other information collapsed in the tree.

Each branch of the case participant tree may be expanded or collapsed individually by clicking on the + and – icons.

After entering all parties in the case, expand the Case Participant Tree to review the party names for accuracy. If necessary, click the appropriate icon in the Case Participant Tree to add or correct information.

STEP 6 Create Case

When all parties and attorneys have been added and appear correctly in the Case Participant Tree, click Create Case. CM/ECF provides one last opportunity to make changes to case opening information. Clicking **No** will allow you to add, delete or modify parties. If all of the information is correct, click **Yes** to create the case and obtain a case number.

Case Number 1:11-cv-227 has been opened.
[File Initiating Documents?](#)

The case data is now entered in CM/ECF and a case number has been assigned. **Please make a note of the case number and add it to the caption of case documents before converting them to PDF and filing the case initiating documents in CM/ECF.**

NOTE: A district judge and magistrate judge will be assigned to the case and will appear on the *Notice of Electronic Filing* after the initiating documents (e.g., complaint, notice of removal) have been filed. When opening a miscellaneous case, notice of judge assignments will be distributed to counsel by the Clerk's Office within 1 business day.

All case initiating documents (e.g., complaint, proposed summons, notice of removal, civil cover sheet, notice of appearance, corporate disclosure statement) must be filed immediately after the case has been opened.

IMPORTANT: If a case has been opened incorrectly, **STOP** and contact the Clerk's Office for assistance at (317) 229-3700. **DO NOT** open the case a second time.

Case Opening Documents menu on the Civil Events screen. Make the appropriate selection from the list of available events.

Case Opening Documents (new cases only)

Events in this category require online payment of a filing fee via ACH or credit card transaction, unless filed on behalf of the USA or with a *Motion to Proceed Without Prepayment of Fees* (in forma pauperis).

IMPORTANT: Filing a Complaint or Notice of Removal in CM/ECF requires the electronic payment of a \$400 filing fee (\$47 for a Miscellaneous Case, and \$5 for a Petition for Writ of Habeas Corpus). Before filing the initiating document(s), it is important to obtain relevant financial account information in the form of either:

- 1) the routing number and account number for a firm savings or checking account; or 2) the account number, expiration date, and 3-digit security code for a firm credit card.

NOTE: When filing a new case on behalf of the USA or with a *Motion to Proceed Without Prepayment of Fees* (in forma pauperis) it is not necessary to submit a filing fee payment with the initiating document(s).

STEP 8 Enter the Case Number

When prompted, enter the case number generated by CM/ECF following the case opening process and click Next to continue.

STEP 10 Create Attorney/Party Association

CM/ECF will prompt the filing attorney to add himself/herself as counsel for the filing party(ies). Place a check in the box(es) to the left of the party name(s) to create an attorney/party association.

NOTE: Entering an attorney as counsel for a party does not satisfy Local Rule 83-7 (a), which requires each attorney to file a Notice of Appearance to establish representation of a party.

IMPORTANT!!!

When filing a **Notice of Appearance** or case initiating document, such as a **Complaint** or **Notice of Removal**, the box(es) on the left of the screen must be **checked** in order to establish the filing attorney as counsel for the selected party(ies) and to receive electronic (email) notice of all future filings in this case.

If the association between the party and attorney should **not** be created, be sure the box is **unchecked**.

STEP 11 Select the Parties

Select the party(ies) against whom the document is being filed. For Removals, select the filer(s) of the state court Complaint. Click the Next button to continue.

The screenshot shows a web interface for selecting parties. On the left, under the 'Pick Party' tab, there are two expandable sections: 'ROBERT JONES dft' and 'JOHN SMITH pla'. On the right, the instruction reads 'Please select the party that this filing is against.' Below this, there are two columns: 'Select the Party:' and 'Select a Group:'. The 'Select the Party:' column contains a list box with 'JONES, ROBERT [dft]' and 'SMITH, JOHN [pla]'. The 'Select a Group:' column has four radio button options: 'No Group' (selected), 'All Defendants', 'All Plaintiffs', and 'All Parties'. At the bottom of the interface are three buttons: 'Next', 'Clear', and 'New Party'.

STEP 12 Upload PDF Documents

When prompted to attach PDF documents to the filing, attach the initiating document (e.g., Complaint or Notice of Removal) in the Main Document field, using the Browse button to locate the PDF file.

When filing a Complaint:

Upload the Complaint as the Main Document. Any exhibits to the Complaint must be filed as attachments – each exhibit must be attached as a separate PDF file and described as instructed below. Following any exhibits, the Civil Cover Sheet and Proposed Summons must be filed as attachments to the Complaint. For cases with multiple defendants, in which more than one summons is needed, all summons documents should be converted into a single PDF file.

When filing a Notice of Removal:

Please follow the very specific instructions in Local Rule 81-2. To summarize:

Upload the Notice of Removal as the Main Document.

Attachment #1 must be a single PDF document of a copy of the State Court Record which includes a copy of the state court docket sheet, all pleadings, motions, orders, and all other filings, organized in chronological order by the state court filing date. The description entered for the State Court Record should list each document that is included in the record (Example: *State Court Record (Docket Sheet, Complaint, Appearance, Summons)*).

Attachment #2 must be the operative complaint at the time the case is removed.

Attachment #3 is the Civil Cover Sheet.

NOTE: All other documents, including a Notice of Motions that Remain Pending in State Court at the time of removal, may not be attached to the initiating document and must be filed separately.

INSTRUCTIONS:
When filing a civil Complaint in a newly opened case, attach the Complaint as the main document. The civil cover sheet and proposed summons must be filed as attachments to the Complaint, following any exhibits. For cases with multiple defendants, all summonses must be converted into a single PDF document. All other documents, including a Notice of Appearance, may not be attached to the Complaint and must be filed separately.

IMPORTANT!
When uploading attachments during the electronic filing process, exhibits must be uploaded in a logical sequence and a brief description must be entered for each individual PDF file. **The description must include not only the exhibit number or letter, but also a brief description of the document itself.** This information must be entered in CM/ECF using a combination of the *Category* drop-down menu and the *Description* text box. The information that is provided in each box will be combined to create a description of the document as it appears on the case docket.

Select the pdf document and any attachments.

Otherwise, leave the “No” option selected and click Next to continue.
