04/27/2026	128	ORDER GRANTING IN PART AND DENYING IN PART DEFENDANTS' MOTION FOR SUMMARY JUDGMENT - The defendants' motion for summary judgment, dkt. 109 , is granted in part and denied in part. Mr. Jackson has filed a motion for court assistance in which he contends that counsel for the defendants contacted his current medical providers to have them ensure he is currently receiving antipsychotic medication. He asks the Court to investigate these actions because it will otherwise be impossible for him to prove his claims. That motion, dkt. 119 , is denied because the Court does not conduct independent investigations and because any actions taken recently at Mr. Jackson's current facility are not part of the claims in this case. The Court reconsiders the denial of Mr. Jackson's motion to appoint counsel. That motion, dkt. 71 , is now granted. The Court will attempt to recruit counsel to represent Mr. Jackson for the remainder of this case. (See Order.) Signed by Judge James Patrick Hanlon on 4/27/2026. (JSR) (Entered: 04/28/2026)
