MDL No. 2570

ORDER REGARDING SERVICE TO COUNSEL OF RECORD

On October 7, 2016, [Filing No. 2771] and again on December 28, 2016, [Filing No. 3309] the Court issued orders in this MDL reminding counsel of their obligation under the rules to register for electronic filing. These orders further required Plaintiffs' Lead Counsel to serve any pro se party or counsel of record not registered for electronic filing with paper copies of all filings and orders. Furthermore, on April 26, 2017, the Court issued an order specifically identifying counsel who were not registered for electronic filing at that point in time and directing them to register within 10 days. While many attorneys on that list did register for electronic filing, several others have failed to do so. Since that time, additional attorneys have appeared in this litigation and also have failed to register for electronic filing.

At the June 13, 2019, monthly status hearing, Plaintiffs' lead counsel raised an issue about the burden imposed on them by the Court of serving copies of all filings and orders on non-registered counsel of record. Upon consideration of this issue, the Court finds that the most practical solution, as well as one consistent with the rules, is to have all service done electronically as contemplated by ECF. *See* S.D. Ind. L.R. 5-1, 5-2, and accompanying ECF Procedures. Accordingly, effective July 19, 2019, Plaintiffs' lead counsel will no longer be

required to make paper service of orders or other filings on counsel of record who are not registered for electronic filing. Any counsel who wants to be served must be registered by this date. Failure to register and receive electronic service will mean counsel will not receive service of any future filings. The failure to sign up for electronic filing will be deemed a violation of this Court's order and related rules, and non-registered counsel will be solely responsible for any adverse consequences that may result.
